The Vajram Group is a new generation, Bangalore-based, real-estate development company transcending conventions in design, quality, construction and customer relationships based on its founding principles of Integrity, Quality, Commitment and Professionalism.

Vajram's experience in delivering residential, hospitality and commercial projects is built on these four core values that are embedded in us from blueprint to brick. We believe that the key element of all our projects is always the CUSTOMER - a view shared by one of the most dedicated teams in the industry. We're about building more than just concrete structures and buildings – we want to build homes and great working environments that will inspire and last the test of time. The best interests of our clients always come first and we place your concerns ahead of our own in each and every transaction, as we are dedicated to the development of long-term client relationships. Our unified customer-centric philosophy ensures that our clients' investment and time are of paramount important to each and every member of our organization.

We combine regional culture with international experience and our clients value this mix. Vajram's clients benefit from the strength of our in-house team of qualified and highly-skilled people. This is a factor that sets us apart in the construction industry today. We work to the highest standards and take personal pride in delivering a job well done based on our committed timelines. India's growing economy presents exciting prospects and growth opportunities.

Over the last decade, the Vajram Group has used these opportunities to construct its organizational base with diversified interests in the technology, hospitality, aromatics and pharmaceutical sectors.
